

2009 GEOCACHING EVENT

OFFICIAL ENTRY LOG

GPS adventurers...On your Mark! Oregon's Mt. Hood Territory has ten caches located throughout Clackamas County. The first 350 participants to find seven out of the ten caches will receive one of our numbered commemorative Oregon's Mt. Hood Territory Geocoins. Find all ten by October 31, 2009, and you will be entered into a random drawing to win a \$200 prize. There is also a \$50 prize for best cache photo.

Log each site's code word on this Geocache Entry Log (you'll find it written inside the cache). Don't forget, you must also fill out the log within the cache to be eligible. Completed Entry Logs can be redeemed at either of the two Visitor Information Centers in Clackamas County (listed below). One coin awarded per completed log. *Visit Geocaching.com for more information on Geocaching.*
